### WHAT ALLOWANCES IMPACT MY PLAN?

**WISE BUYER** (Traditional Plan)  
Reimbursements are based on the median dental fees charged per procedure in the specific zip code area where dental services were performed.

**USC 90TH PERCENTILE** (Progressive Plan and Access Plan Out-of-Network)  
Usual and Customary (U&C) - Benefits for a given dental procedure are paid according to the usual and customary charge for that procedure within a particular ZIP code area. BrightOne Plans utilize the 90th percentile of U&C, which means that 9 out of 10 dentists in a specific area charge at or below the plan allowance for a procedure.

**MAC** (Access Plan In-Network)  
**Maximum Allowable Charge (MAC)** - A discounted dental procedure charge that is derived from the array of provider charges within a particular ZIP code area. MAC fees are associated with a PPO plan and are accepted by participating providers.

# A Single-Minded Focus on your HEALTH and WELL-BEING.

According to The American Dental Hygienists' Association, every \$1 spent on prevention in oral health care saves \$8 to \$50 on restorative and emergency procedures. That's one reason why BrightOne Plans pay 100% of the amount allowed for preventive care, and offer comprehensive benefits for you and your family, at reasonable rates. Because you can't really put a price tag on good health... and a beautiful smile.

## TRADITIONAL PLAN

This comprehensive coverage gives you the freedom to use any dentist you wish, and pays 100% of the amount allowed for Type 1 care after a short elimination period. The plan features high coinsurance levels, low deductibles and a choice of calendar year maximums.

## PROGRESSIVE PLAN

Visiting a dentist (PPO & non-PPO) and having a covered procedure completed each year qualifies the insured to increase their coinsurance level the next year. Insureds who do not receive a covered procedure in a calendar year revert to the lowest level. You may use the dentist of your choice, and select your calendar year maximum. Orthodontia benefits for adults and children are included after a 12-month elimination period.

## ACCESS PLAN not available in all states

This plan provides the opportunity to reduce your out-of-pocket costs by using an in-network provider, yet you are always free to select a dentist not associated with the Ameritas PPO. The plan also covers a yearly eye exam. Select a Vision Service Plan (VSP) participating provider for an eye exam covered at 100% and access to additional discounts. Insureds also have the option of choosing a non-VSP provider (benefits are paid on a scheduled amount per area).
